

fu·ture 'fyooCHər/ noun

1. at a later time; going or likely to happen or exist.

What's in your future? Are you planning for it or trying to avoid the inevitable? Retail is growing; but how are you planning to keep up with those changes? Over the next several weeks we will be sharing beneficial and informative material that will give you control over the future of your visual merchandising and visual displays.

*"It is not the strongest of the species that survive, nor the most intelligent, but the one most responsive to change."*

- Charles Darwin

2017

FUTURE
